MODULE: Developing an Asset-Based Perspective on Immigrant Students

By Chiara Magini, July 8, 2015

Immigrant Students' Asset Mapping

1. Using the template below, find examples of assets/capitals that immigrant students bring to your school/classroom.
2. Think of ways how each asset/form of capital can benefit your school/program or your whole classroom.

Assets	Examples of this asset from my immigrant students:	How can this asset benefit my school/ program, my whole classroom?
