

Script for Mock U.S. Citizenship and Immigration Services (USCIS) Naturalization Interview and Test

Notes for Students

- Due to the pandemic, the USCIS requires applicants to wear a mask the entire time they are in the building, including during the interview itself. The officer is also masked.
- At check-in, you may be given a COVID-19 screening form to fill out. The form consists of questions which require only “no” answers.
- Feel free to ask the interviewer to **repeat**, **repeat slowly** or **rephrase** any question you don't understand. If you are still confused, say that you don't remember, you don't know or you don't understand.
- **Do not guess.** A terribly wrong answer can signal a lack of comprehension.
- **Do not lie!**
- You must bring your **appointment letter**, **green card** and **passport** to the interview. Depending on your history, we may also advise you to bring other documents, including your certificates of marriage, divorce and birth, as well as the birth certificates of your children.

Note

This script is not a static document and may be modified during practice depending on the background and fluency of the student. In fact, USCIS officers do not follow any one specific approach. However, this version does represent our best, up-to-date synthesis of the most common questions. Please note that, in the past but not recently, officers have also asked for definitions of terms such as “jail,” “prison,” “arrested,” “cited,” “detained,” “immigration benefits” and “armed forces.” Teachers and students may opt to include them as appropriate.

Final Instructions for the Applicant

At the end of the interview, you will be asked to read and sign off on your personal information displayed by the officer on the tablet. Be sure to review the information carefully. It is simple to change it at the office, but more difficult and time-consuming after the fact. You may also be asked if you wish to change your name. This too is more easily done at the interview.

In addition, if you are not invited to be sworn in on the same day, be sure to read the results form you are given at the end of the interview before leaving the office. If the interviewer passes you, but checks the B box on the form, stipulating the need for one or more additional actions, insist on being told exactly what is needed in writing.

At the swearing-in, you will exchange your green card for a citizenship certificate.
